

Summer Seminar

AMERICAN
NUMISMATIC
ASSOCIATION

FLORENCE SCHOOK SCHOOL OF NUMISMATICS

2016 YOUNG NUMISMATIST (AGE 13-17) SCHOLARSHIP APPLICATION INFORMATION FOR THE APPLICANT

TYPES OF SCHOLARSHIPS AWARDED:

Full: Full scholarships cover tuition, lodging, meals and airfare for one week.

Partial: Partial scholarships cover tuition only.

ELIGIBILITY:

The applicant must be a full-time student and an ANA member age 13 to 17. Applications may be typed, but the applicant must personally complete the application and one-page essay. Applicants must receive a reference from their principal, teacher, or counselor, as well as from another adult (other than a parent or relative).

Reference letters MUST be submitted by the person completing the reference, NOT the scholarship applicant-- NO EXCEPTIONS. Incomplete applications will not be considered.

SELECTION PROCESS:

Scholarships are awarded on the basis of merit. Each application is thoroughly reviewed by a selection committee and scored according to the following 100 point system:

Maximum Points	Categories
50	Involvement, Leadership and Accomplishments
20	Essay and written parts of application
20	Reference letters
10	Overall impression of Selection Committee

The selection committee's decision is final. Applications will remain confidential.

TIPS FOR ALL APPLICANTS:

Pay attention to detail and follow the instructions. Your application should be concise and direct, reveal interesting things about yourself, and describe how your strengths, achievements, and passions make you a strong candidate for a scholarship. In other words, impress us. The selection committee reviews dozens of applications. They will look upon your application favorably if your essays are free of typos and grammatical errors, and if you include all and only the materials requested. If you have questions or concerns, please contact us. We strongly suggest that applicants request more than two references.

FIRST-TIME APPLICANTS:

First-time applicants are generally younger and may be relatively new to numismatics. The selection committee will give first-time applicants special consideration by placing more emphasis on their collecting interest and desire as well as their commitment to pursuing numismatic education.

PREVIOUS SCHOLARSHIP RECIPIENTS:

We encourage previous scholarship recipients to list their past Summer Seminar accomplishments on their applications. After all, for many YNs, the week or two spent in Colorado Springs each summer is the biggest numismatic event they will participate in all year. For returning YNs, the selection committee will be placing more emphasis on how the applicants used their previous Summer Seminar education to further their numismatic involvement and accomplishments.

APPLICATION DEADLINE: Applications must be postmarked on or before January 29, 2016. No exceptions will be made.

A large number of adult students and instructors participate in the auctions by donating items as well as by bidding generously.

YN scholarship recipients are required to take part in the planning and execution of the auctions. YNs will work together in various task committees (determined the first day at Summer Seminar).

With the exception of the cataloging team, YNs will be required to serve on two or more committees. Below are brief descriptions of duties:

- **Donations:** Collecting donated items and ensuring forms are properly completed.
