

OBITUARY FOR TERRY ARMSTRONG

Terry T. Armstrong, an active volunteer with the American Numismatic Association (ANA), died of cancer on November 7, 1999, in a Dayton, Ohio, hospital.

Armstrong, 62, was very involved in the ANA and the hobby for many years, joining the Association in 1979 and serving as a convention volunteer primarily working with exhibits, a Club Representative and District Delegate and as a Regional Coordinator for Ohio and western Pennsylvania. He demonstrated a strong dedication to numismatics and was able to speak to a novice with the same enthusiasm as he did on technical aspects with experts in the hobby.

In addition to the ANA, Armstrong was a member of the Central States Numismatic Association, Columbus Numismatic Society/ Central Ohio Numismatic Society and Dayton-Kettering Coin Club, in which he served as president and secretary. A collector for more than 40 years, Armstrong's primary interest was United States and Canadian coins, specializing in Morgan and Peace dollar die varieties.

Named by President Kenneth Bressett to the National Money Show committee in 1996, Armstrong was awarded the ANA Presidential Award in 1997, and was proclaimed a Numismatic Ambassador by Numismatic News in 1998.

Armstrong was born on September 12, 1937, in Enid, Oklahoma, and served in the Army from 1954-57. He worked in Dayton for National Cash Register (NCR) and then the United States Defense Electronics Center. Just before his death, Armstrong retired from the U.S. Government Defense Supply Center in nearby Columbus, Ohio.

Funeral services for Terry Armstrong are set for 2 p.m. on Wednesday, November 17, at the Memorial Park Cemetery Garden Chapel in Enid. Henniger-Allen Funeral Home is handling the arrangements.

The American Numismatic Association is a congressionally chartered nonprofit educational organization dedicated to encouraging people to study and collect money and related items. The ANA helps its 28,000 members and the public discover and explore the world of money through its vast array of education and outreach programs, as well as its museum, library, publications, conventions and seminars.
