THE LINCOLN MEMORIAL is one of America's most famous and popular landmarks. The inscription on the wall above the statue of President Lincoln reminds visitors that "In this temple, as in the hearts of the people for whom he saved the Union, the memory of Abraham Lincoln is enshrined forever."

Numismatists know the Memorial has been depicted on the cent reverse since 1959 (which will change this year), as well as on the back of the \$5 bill. Use the words listed to fill in the Memorial's history and facts below, then complete the word search.
