American Numismatic Association Runs Exclusive Club Promotion

Free One-Year Membership for the First 60 New Member Clubs to Join

The American Numismatic Association (ANA) prides itself in creating opportunities for communities to come together and share their zeal for collecting. One way the ANA accomplishes this is with ANA member clubs. Joining as a member club connects you with over 400 other clubs, providing opportunities to learn, network, and exchange ideas. Our clubs get the support needed to advance the hobby, promote education and further explore the world of money.

Currently, the ANA is offering a special promotion—the first 60 new clubs to join will receive a one-year membership at no cost, courtesy of a generous ANA member. Benefits for ANA member clubs include:

- ***The Numismatist*** – The hobby's premier monthly magazine is mailed to all regular club members.
- **Club Directory listing** – Have club information shared in the ANA online club directory to connect the general public and other hobbyists interested in exploring the world of money (an excellent recruitment tool).
- **Calendar of events listing** – Have upcoming club events published on the ANA's website.
- **Outreach package** – Promotional membership materials for club coin shows at no charge.
- **Club speaker certificates** – Recognize club speakers, club officers or outstanding club members.
- **Past club president certificate** – ANA offers a certificate for clubs to honor the outgoing local ANA club president.
- **Midway bourse table and meeting room at ANA conventions** – As space is available at conventions, the ANA can offer table space in the club area and use of a free meeting room for club activities.
- **ANA library** – U.S. and Canadian clubs may borrow books, auction catalogs, and slide and DVD presentations through the mail, a great educational resource for club meetings.

- **Numismatic Diploma Program for clubs** – ANA clubs can receive a substantial discount to participate in the Numismatic Diploma Program, which allows individuals the opportunity to obtain a "Numismatic Scholar" certificate by completing a series of online courses.
- **National Coin Week materials** – Information and ideas for special emphasis during National Coin Week are sent to clubs with goodies, club trivia, and more.
- **Activities for club meetings** – Puzzles, quizzes and resources are available online to print and use at club meetings.
- **Club liability insurance** – For single events or annual coverage for meetings and shows, liability insurance is available for member clubs through Hugh Wood Inc.

To take advantage of this first come first served offer, clubs are encouraged to reach out to ANA Outreach Program Coordinator Phil Vitale at vitale@money.org.

The American Numismatic Association is a congressionally chartered, nonprofit educational organization dedicated to encouraging the study and collection of coins and related items. The ANA helps its members and the public discover and explore the world of money through its vast array of educational and outreach programs, to include its museum, library, publications, conventions and webinars.
