## **Nominate the Next Board of Governors for the American Numismatic Association**

In the ever-evolving world of numismatics, the power to shape the future lies in the hands of passionate collectors. As the American Numismatic Association (ANA) approaches the 2025 Board of Governors election, members are invited to seize this opportunity to drive meaningful change within the community. By nominating visionary leaders who embody the values and aspirations of our diverse membership, the course of the Association can be steered towards innovation, inclusivity, and growth.

The ANA is governed by a nine-member board that includes a president, vice president, and seven governors-at-large. The ANA's federal charter, granted in perpetuity by the United States Congress, places control of the ANA in the hands of these individuals.

Because of incumbents' expiring terms, all nine seats will be open. Those elected to fill these vacancies will be installed in August 2025 and will compose the Board of Governors for the following two years.

Members with voting privileges are invited to submit nominations to the ANA executive director, keeping in mind the following guidelines:

- Only official nomination forms will be accepted. They must be received no later than March 1, 2025.
- Nominees must be members who are entitled to hold office under current Association bylaws.
- To be eligible for office, a member must receive nominations from at least 25 ANA-member clubs and/or individuals in good standing. (Nominations submitted by nonmembers are invalid.)
- No member can nominate themselves, nor can they nominate candidates for any office in excess of the number to be elected.

- No member can accept a nomination for more than one office.
- Nominees must accept or decline their nominations no later than March 31, 2025.
